

Weed Control Mat

Super Web

RiRe Agrotech Super Web is a woven polypropylene ground cover that provides years of reliable results. The fabric resists punctures, tears, and weed penetration. Ultra Web is formulated to resist UV degradation and allows air, water, and nutrients to pass through the fabric.

Property	Unit	Minimum Average Result
Material	Polypropylene	94%
Material	UV Stabiliser	3%
Material	Black Colour Master Batch	3%
Color		Black with Green Stripe
Construction Weave		10 X 10 Mesh

Weight	GSM	90
--------	-----	----

Grab Tensile Strength	Kgf	Warp 105
	Kgf	Weft 100

Grab Elongation	Kgf	Warp 25
	Kgf	Weft 25

Trapezoid Tear	Kgf	Warp 55
	Kgf	Weft 45

Ultraviolet Exposure		Life 4 years to 5 years
